

The Great Skincare Upgrade

 The Essentials
Beauty Salon

KATHERINE
DANIELS®

- Are you tired of spending money on skincare products that don't actually work?
- Do you feel overwhelmed by conflicting skincare advice online and on social media?
- Have you ever wondered what your skin really needs for healthy, long-term results?

If you answered YES to any of the above, our Great Skincare Upgrade Event is for you.

Bring along your current skincare products and let our Katherine Daniels expert professionally analyse your skin, review your routine and create a personalised plan that actually works for your skin goals.

This is your chance to stop guessing and finally start your skin journey with confidence.

But be quick as we only have 14 spaces available*.
